LUXURY

Day 1

Today's Ride: 20 Miles (900' Elev. Gain)

Meet your trip leaders at the Intermodal train station in Palma de Mallorca before transferring to Alaró for a welcome lunch at a local restaurant located on the center square. Alaró is known for the Castillo de Alaró, one of the most classic excursions in Mallorca. From there you bike to your hotel, Son Brull Hotel & Spa.

Son Brull is the destination hotel, known for featuring the best of Mallorca. The hotel was converted from an eighteenth century Jesuit monastery. The luxurious, contemporary design offers a 5-star Mallorca experience at its most authentic. The hotel itself is nestled in a rural setting at the base of the Tramuntana Mountains, and some of the best beaches in the area are right around the corner.

Dinner is served in the hotel's dining room.

Day 2

Today's Ride: 33 Miles (2,800' Elev. Gain)

Short Option: 21 Miles (2,400')

Long Option: 53 Miles (5,700')

Awake to a refreshing breakfast beaming with authenticity. Held on the terrace of Son Brull & Spa, you breathe in the fresh air and enjoy captivating scenery before heading out. It starts with a short transfer. The ride is truly one of the most amazing in Mallorca.

The bike route brings you to the Cap de Formentor, which forms the eastern end of Mallorca's Formentor peninsula, known locally as the "meeting point of the winds". Filled with challenging climbs and thrilling descents, it's one of the most popular routes we offer. It was designed by Italian Ingenieur Antonia Pareti. Upon arrival at the Cap de Formentor, a lighthouse is awaiting your exploration.

Lunch is on your own at a local restaurant in the Port de Pollença. Pollença itself is a small town in the northern reaches of Mallorca. It's situated on the Bay of

Pollença, and it is famous for The Pine Walk, a popular walk around the coastal line of the town.

In the afternoon, you ride back to the hotel on some of the beautiful local roads.

Dinner is held in the stunning dining room of Restaurant 3/65 in Son Brull.

Day 3

Today's Ride: 36 Miles (4,200' Elev. Gain)

Short Option: 22 Miles (3,000')

Long Option: 41 Miles (5,000')

After an energising breakfast, you leave your hotel on your bicycle. The morning ride includes panoramic views.

The route you experience stretches from Son Brull to Escorca, and then to Belmond La Residencia, the hotel where you end the day. Belmond La Residencia is surrounded by some of the most dramatic panoramic scenery, including rocky mountain cliffs, lush forest greenery, and the sheer calming beauty of the coastline. You have the opportunity to bike through the village of Fornalutx to the Lake of Pantà de Gorg Blau. The ride is rich with unmatched panoramic views, showing off the rugged beauty of the island.

Arrive in Deià, a quaint and small village located on the coast in the Serra de Tramuntana, which forms the northern ridge of Mallorca. Deià is known for its literary and musical residents. The landscape holds an enchanting mixture of orange and olive groves situated atop steep cliffs overlooking the Mediterranean.

Later you are free to have dinner on your own at one of the local restaurants in Deià - ask your leaders for their recommendations.

Day 4

Today's Ride: 29 Miles (2,800' Elev. Gain)

Short Option: 13 Miles (1,400')

Long Option: 36 Miles (3,200')

Start the day with breakfast at the hotel before setting out on a morning ride that is sure to entice excitement. Today you ride along the coast, going through Valldemossa before riding inland toward the village of Esporles.

Valldemossa is recognized for its unusual beauty. The village is surrounded by high mountains clothed in pine and evergreen woodland. Olive, almond, and carob tree groves speckle the landscape amongst tidily cultivated fields complimented by stately country houses referred to as possessions.

Lunch on your own at a local restaurant in the village of Esporles. In the afternoon, you ride further inland. Our route takes you through the local villages, including Puigpunyent and Gallilela.

Before dinner, enjoy a wine tasting at the famous Bodegas Santa Catarina. Offering a world of wines in the midst of gorgeous wine filled nature, the sandstone cellar is a major destination for wine enthusiasts.

Savor a unique dinner at the local hotel, Castell Son Claret. Known for “The Luxury of Silence,” the indulgent hotel lies in scenery that is beyond words. Located at the foot of Serra de Tramuntana, they are one of “The Leading Hotels of The World,” and sure to please.

Day 5

Today’s Ride: 38 Miles (4,700’ Elev. Gain)

Short Option: 21 Miles (2,400’)

Your final day is memorable as you start riding toward Andratx, a town with an ancient and rich history. Until recently, it was primarily inhabited by the local Majorcan people. In the 2nd Century BC, Andratx was occupied by the Romans, who called the town Andrachium. The town itself is found in the southwestern corner of the Sierra de Tramontana, the most significant and breathtaking mountains found on the island of Majorca.

After riding through Andratx, you reach the coast for a magnificent ride with breathtaking views. Throughout the morning, you pedal through the village of Estellencs before reaching Banyalbufar.

Banyalbufar borders Estellencs, Puigpunyent, Esporles, and Valldemossa. Points of interests in Banyalbufar include the watchtower, some of the most beautiful walking routes on the island, and gorgeous beaches. The walking route to the Port des Canonge was previously known as a philosophers' path.

Next, you devote a short time riding toward the hotel for some deserved relaxation. Spend a tranquil afternoon by the pool reflecting on the scenes, smells, and tastes of your trip, or read a book in the park before savoring one last taste of Spain with an unforgettable diner at the hotel restaurant.

Day 6

Enjoy breakfast at the hotel Castell Son Claret one last time before meeting up with your trip leaders. From here, a short drive to the Palma de Mallorca Intermodal train station marks the end of the tour and of this unforgettable trip through Mallorca.

Frequently Asked Questions

Can you pick me up at a different location?

No, everyone is coming from a different location so your trip leaders will meet all of you at the starting location.

At the end of the trip, can you drop me off at a different location?

No, your leaders can't go to different locations, that is the reason why there is a drop off location for everyone.

I have to take a train at 7.30 AM & drop off time is 12.00 PM, can the trip leaders take me early?

Unfortunately we cannot accommodate multiple shuttles. If you need to go earlier, contact the front desk of your hotel as they will be glad to book a taxi for you.

Do you recommend bike shoes for riding?

It takes time to get used to riding with bike shoes and unless you are used to riding with bike shoes, sneakers are fine. However, if you decided to bring your bike shoes, you also need to bring your own pedals.

Should I bring a helmet?

Helmets are included but if you would rather bring your own, you're welcome to do so.

Can I adjust my bicycle stem?

Our touring bikes come with an adjustable stem allowing you to raise the handlebar so you have a more upright riding position.

What do you mean by multiple daily routes?

Each day we offer a range of mileage options and you decide how much activity you want to do.

Do you include alcoholic beverages?

DIGnGO includes alcohol during some activities. However, during lunch and dinner, it is not included and it is your responsibility to pay the bill.

How does it work for extras at the hotel?

Extras are your responsibility and the bill needs to be settled before you leave the hotel.

Should I bring my luggage down or leave it in the room when we change hotel?

Please bring it down to the lobby or have the staff of the hotel bring it down for you. Your trip leaders will then take care of the bags.

Should I carry my helmet, seatpost bag and water bottle in the room at night?

Please do, those are yours for the entire week and in order not to mix them with everyone else, we ask to bring all the materiel with you in the room. The only thing that you need to give your trip leaders is the Garmin GPS as they need to charge it for the next day.

Is there a minivan along the route during the day?

Yes, do not hesitate to ask for a ride if you need one.

Can I ride at my own speed?

Each bike has a Garmin GPS with pre-loaded routes allowing you to find your way.

A pair of padded cycling shorts is definitely a great investment.

Cycling Safety

The Rules

- Wearing a helmet on a DIGnGO trip is required.
- While you're riding your bike, ensure that you are using good judgment and being aware of your surroundings. The unexpected can happen in an instant and maintaining alertness will ensure that you, and those around you, are safe.
- Do not wear headphones while riding as they will likely drown out important sounds and distract your attention.
- Avoid riding side by side but instead try to "ride single file". Leave enough space between yourself and the rider in front of you for a car to fit.
- If you are traveling downhill, increase the distance between yourself and others to ensure your ability to stop, should someone ahead of you brake suddenly.
- Be courteous to other riders and motorists, especially near intersections, driveways, parked cars, and other places as they may not be aware of you.
- In some countries, you will find intersections with no traffic signals. In that case, please note that other vehicles have the right away.
- Stop at all red lights and stop signs.
- Make sure to yield to pedestrians.
- As you are about to turn, communicate your intention to others around you by using recognised hand signals.
- Avoid road obstacles such as potholes, rocks, etc. While going over rough terrain, such as gravel, sand, or rocks, make sure to downshift.
- While riding downhill make sure that you are using both brakes in order to control your speed and avoid "glazing over".
